ADITYA SACHAN

(Ph):-7897601723

(Email) :- sachanaditya163@gmail.com

KANPUR NAGAR,UTTAR PRADESH(209206)

Project

Secure Password Generator Using HTML,CSS & JavaScript

- The goal is to build a simple web-based tool that can generate strong, random passwords based on user-defined criteria, such as length, inclusion of special characters, numbers, and uppercase/lowercase letters .

Simple Timer

- The timer will allow users to set a specific time duration and count down to zero, with options to start, pause, and reset the timer

Education

Bachelor Of Technology(Computer Science & Engineering

Chandra Shekhar Azad University Of Agriculture & Technology , Kanpur (208002)

2021 - 2025   7.6 GPA
